Aloha Mai Kakou Council Members,

I am writing in support of Resolution 17-39 and I am requesting that the City Administration maintain Thomas Square as a public park.

Hawai'i Revised Statutes Section 46-65.6, requires that Thomas Square "be maintained as a public park"; and the maintenance of Thomas Square, in its current state as a public park is in accordance with HRS Section 46-65.6.

Maintaining Thomas Square as a public park will preserve the natural beauty of the park and will continue to provide residents and visitors with a necessary green and quiet space to enjoy and gather in the Honolulu Civic Center area.

Written Testimony

I personally, as well as my friends and relatives and many others that I see at Thomas Square Park visit the Park on a weekly basis and use the Park as a place to relax and enjoy the natural beauty of Honolulu. Because of my experience at Thomas Square Park I believe that the maintenance of the Park in its current state as a public park is vitally important to the community as a whole.

I urge the City and County of Honolulu to continue to maintain Thomas Square as a public park in accordance with HRS Section 46-65.6, to ensure that Thomas Square can be enjoyed as a public park by visitors and residents for generations to come.
